

Working Exes for Texas Swimming

WETS was organized in 1968 when a group of former Longhorn swimmers, divers and coaches, headed by Tex Robertson, met to promote University of Texas aquatic excellence. The initial goals of WETS were to: **Honor** the past accomplishments of UT swimmers and divers; **Promote** the present and future success of Texas Swimming and Diving; and to **Provide** a common forum for all former Texas swimmers, divers, coaches and fans to gather and stay connected.

After 90+ years of success along with UT's 76 Conference & 26 National Championships the goals of **WETS** remain the same: To **Honor, Promote and Provide.**

Membership is open to anyone that wants to become part of our happy group that loves Texas Swimming & Diving, desires to stay connected, and see the Longhorns light the tower orange.
